

Bringing Brazoria County Home

April 1, 2022

NCCC: Earth 1

For the last two months, Mosaic in Action has worked with the incredible AmeriCorps NCCC Team, Earth 1. This team has an average age of 20 years and came in with zero construction experience– both things we have faced before. Every member of Earth 1 has been a positive presence in the field and office, always willing to roll up their sleeves and do the work.

It has been inspiring to see the youngest member of their team (18) become an incredible, respected leader on worksites– sometimes overseeing collegiate volunteers five years her senior. Other team members continue to impress us with their unique skills and abilities, but their shared passion for helping others is what makes Earth 1 such an all-around fantastic team.

Members of Earth 1 and Marcus George

Is Jim Really Retired?

Yes: Father Jim officially retired from St. Andrew's Episcopal Church on February 28, 2022. That being said, Jim has NOT retired from Mosaic in Action. Jim remains the President of Mosaic in Action and– aside from spending time with his family– has made our mission of Bringing Brazoria County Home his primary focus.

For those who don't know, Jim was a professional engineer before becoming a priest. He is eager to apply his technical skills and spend time with volunteers when he can.

A large portion of his time is now spent at local coffee shops meeting with advocates for Mosaic in Action. His commitment to Mosaic in Action's sustainability and future have made him our greatest champion– often inspiring others to join in and support our work.

Mosaic in Action is lucky to have a dedicated individual like Jim on our team. He will continue to serve our community in his unique ways, making an impact wherever he goes. If you see him on your morning coffee run, don't be afraid to say hello– we know he would love it.

Bringing Brazoria County Home

Getting Ready for Trivia Night

Mosaic in Action is preparing to host our inaugural Charity Trivia Night fundraiser at Good Vibes Burgers and Brews in Pearland. We are five days out from the event, and our team could not be more excited. Participants are encouraged to join us for Happy Hour starting at 5 PM to learn more about our mission, browse our silent auction items, and meet their competition.

Good Vibes Burgers and Brews in Pearland

For those attending, here is a sneak peek at the main rounds for Wednesday: General Knowledge, The Magical World of Disney, Mmm... Beer, One-Letter Logos, Presidential Twitter, 2021 in Sports, and It's All Greek to Me. The trivia questions are family-friendly, so children are more than welcome.

The competition will be hosted by our Co-Founders, Jim Liberatore and Debbie Allensworth. There will be prizes for the first, second, and third place teams, so be sure to bring your A-game.

Unfortunately for those who have yet to register, we did sell out for this event. Because we have had more interest in this event than anticipated, we are looking into the possibility of making Mosaic in Action Trivia Night a quarterly fundraising event that community members and their families will look forward to.

Board Member, Chelsea Wauson and her children

Board Member Highlight

Our newest Mosaic in Action Board Member is worth all of the hype that surrounds her- Chelsea Wauson. An accomplished businesswoman and exceptional mother, Chelsea's presence on our board will undoubtedly make a difference in our community.

Her drive and passion for helping others are what made her such an appealing choice, and we are incredibly fortunate to have her on our team.

How You Can Help

Interested in helping Mosaic in Action? Here are some simple ways you can show your support for our mission:

Donate to Mosaic in Action in support of our mission of *Bringing Brazoria County Home*. All donations are tax deductible.

Sign up to **volunteer** with us in the field or in the office. We welcome volunteers of all skill levels!

Like us on **social media**! Mosaic in Action's Facebook and Instagram are great sources for information on what we are up to.
